

ROW BOAT ME HOME

Jack Fellers
Scott Schiaffo

Time lost and time for nothing
Too bad you lost it all at once
Follow
Chose to walk alone

Sad to see it's too familiar
Bear no gifts I call my own
Quick to take, quick to go

Chorus

And all alone
Row Boat Me Home

Shallow ways and shallow glories
Stark naked stood the truth
Mumblety-peg
Cold as a stone

(Chorus)

And I catch cold
And I catch cold
And I catch cold

Sit and listen to your stories
Stories I have none to tell
Traveler
Rain soaked and lightning again

(Chorus)

And all alone
Row Boat Me Home
